

11.2.20 Prayer Call notes:

Guest speaker: Lori Daub

### **“Man in the Street Report” with Lori Daub**

#### **Prayer Points:**

Lori Daub made a trip to Washington DC last week and participated in the Sean Feucht open air worship and street witnessing, prayer walking and evangelism. She shared her report with us tonight.

\*We prayed for the many across the nation who will be working at the polls tomorrow. We pray that there will be a smooth orderly process in the voting, and no violence at any polling places. We bind the spirits of violence, anarchy, anger and we loose the spirit of shalom, peace, and order at every polling site!

Lori was in front of the Attorney General’s office. She met with a couple of other ladies and they began to pray together. They began to pray that real righteousness would come forth from the AG Office. Found a signboard, which stated “equal justice for all”. They made declarations there that the well of justice would be dug up and reopened throughout the nation.

She found another gal walking between the House and the Senate and she was quietly making decrees and declarations. Lori then heard a shofar. They went off to a lawn area, and she saw a group of Messianic believers having church on the middle of the lawn, worshipping, blowing the shofar. This is going on all over the city! There is a real presence of God in the capitol in DC. The place is being saturated with prayer.

Lori then went to "David's tent". Sean Feucht had teams that were being sent out all over the streets in Washington DC. She prayed that the land would be healed and that the wells would be opened up. Another woman prayed with her, and prayed over the land going all the way back to the colonial days. They felt a big change in the spiritual atmosphere!

\*We prayed into this, that the wells would be reopened, that the water of your word and the wells of salvation would be loosed and released all over Washington DC and all over the nation. May the flow of the living water of Yeshua would flow all over the nations. We thank you that the word of God is flowing, and the atmosphere is changing.

\*We prayed for the election that we will have a clear winner by the end of the day on Nov 3<sup>rd</sup>. We ask that God will superintend and watch over this day of voting. We pray that there will be lots of early voting and that the results will come in early and on time. We pray that North Carolina and Pennsylvania votes would come in early or vote in person and that the late votes would be FEW.

**More from Lori:** She went to the Black Lives Matter square. She had open air worship in front of St John's church at Lafayette Park. The presence of God was thick and deep. When the team left, heading off to the next site. There was a woman there on the microphone preaching the gospel. Everywhere you went around town, there was someone preaching the gospel.

Lori then walked to the Dept of Veterans Affairs. She heard worship music. She looked around and there was Pilipino holding an open air worship meeting. They were reaching out to the Veterans.

Sean Feucht's instructions to them: "Look for people around you that are under 16. We are going to pray for them that they will receive a "revivalist" anointing and spirit upon them."

Then there was a call to pray for the generations. That we would be woven and knit together as a beautiful tapestry, young and old, across the generations.

### **Quelling the Violence: A report**

This started up in May when the violence started popping up in May. They meet every night on the phone from midnight to 1:30am to pray. Some revelations that have come forth on the prayer call: Those who get involved in the violent riots:

\*Pray for those who are fatherless

\*Pray against the influence of gangs

**Colleen:** It has been a place of unity. We have one mind and one heart. We are seated in heavenly places with Christ and as we pray, angelic hosts are loosed and released to work out the answers to prayer.

**Lorraine:** We do spiritual warfare in the spirit and we are seeing tremendous fruit. We grow as the ecclesia as we pray together. We grow from each other. The prophetic comes through. There is great power when we pray in the spirit. I am honored and privileged to be a part of the prayer initiative: "Quell the violence".

**Marquita:** In Sept 2015, as she was praying for the nation, she saw mushroom cloud. She asked the LORD what is this. She heard "Fizzle, fizzle, fizzle the plans of the enemy".

Psalms 2:4, The LORD laughs at man's puny plans.

Psalms 94:23, The evil plans will boomerang back upon the wicked.

Isaiah 18:5: Before they began their attack, He will cut them off like pruning shears.

She looked up many scriptures with the word "violence" in them.

Isaiah 60:18

All the praise and worship that has gone on in Washington DC has been very pleasing to God. Our petitions have been preceded with worship and praise unto Him.

In these scriptures, she came across the word "boomerang". When Haman came against the Jews, he ended up hanging on the gallows. His evil scheme to hang Mordechai boomeranged on him and Haman hung on the gallows.

We are to declare and decree the word of God over our nation!

What is God saying? He has a purpose. His word will not return void. He can take what was meant for evil and turn it around for good. Evil plans will boomerang back upon the heads of the wicked!

**\*The Boomerang prayer:** We look to you Father, your word says that the enemy will have a boomerang affect whenever they come against your people. What the enemy has planned for Washington DC, we say it will boomerang and we say "fizzle, fizzle, fizzle" to the enemies plans in Jesus name!

\***Andrea**: Praying in the spirit has been a very powerful time. It has brought joy to my heart and my spirit. Shared the story of Hezekiah and how he brought a legal case before the court of the LORD.

**Beverly Siering**: What a team Lori! I go back 4 years, and we declared the Word of God over the election in 2016. We will have a triple crown as mercy triumphs over judgment. May the Lord's will be done at the gates of our nation. We declare that the reset has begun. We declare that righteousness. The judgment is in favor of the saints.

2 Kings. The word of the LORD. Remember Daniel, Daniel 6:26.

I make a decree that in every dominion of my kingdom *men must* tremble and fear before the God of Daniel.

For He *is* the living God,  
And steadfast forever;  
His kingdom *is the one* which shall not be destroyed,  
And His dominion *shall endure* to the end.

There is a triple crown. Three new justices.

The breaker, the messiah, has turned the tables. A landslide is coming. A Rock. The rock of ages.

I am exposing, revealing.

He, the LORD has already hit the gavel. We just have to catch up! It's all about salvation. It's all about souls. I receive your return. I receive what you gave.

We call forth a tsunami of a red wave!

**Laura:** Crimson Tide, I see the blood of Christ is over the land, over the nation!

*"Come now, and let us reason together," Says the LORD,  
"Though your sins are like scarlet, They shall be as white as snow;  
Though they are red like crimson, They shall be as wool. Isaiah 1:18*

*"Because with lies you have made the heart of the righteous sad, whom I have not made sad; and you have strengthened the hands of the wicked, so that he does not turn from his wicked way to save his life. "Therefore you shall no longer envision futility nor practice divination; for I will deliver My people out of your hand, and you shall know that I am the LORD."'" Ezekiel 13: 22-23*

**Another woman shared:** We think the reward is the turning and outcome of the election. Our reward has been that we have been spending so much time with HIM! We have been blessed with the unity and the fellowship. We have been reaping the reward. The reward is HIM!
