Part 1: First Horse: Coronavirus and the Global Pandemic

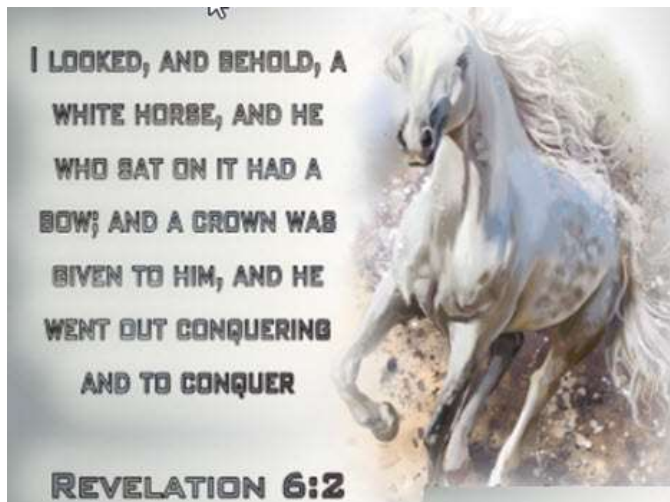

And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see.

And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer. Revelation 6: 1-2

Let's go and look at this first Horsemen of the Apocalypse and unpack it further.

REVELATION 6:2

"And I looked, and behold, a white horse, He who sat on it had a **bow** and a **crown** was given to him, and he went out conquering and to conquer."

Here is an insight: the Greek word for BOW is actually **TOXON**, which evolved from **Greek archers using poison on the tips of their arrows**. The word CORONA in Corona Virus means CROWN in Latin. The corona virus gets its name from the crown-like spike proteins that it has all over its surface. What if the scripture was translated as follows?

An interesting Note: The untried and untested experimental Covid 19 shots are administered by a sharp miniature steel arrow that is tipped with toxic poison. Look how the Covid-19 pandemic has gone out conquering and it has conquered the whole world, and, as we speak, it is still doing so at a furious pace!

"And I looked, and behold, a white horse, he who sat on it had a TOXIN, and a CROWN/ Corona was given him, and he went forth conquering and to conquer!"

What does it mean? This gives pause for thought, does it not?

The world has suffered dearly with the judgment of the first horseman with the release of the COVID-19 global pandemic.

Total COVID 19 Events: (Latest VAERS Statistics)

Deaths: 12,791
Life threatening: 13,140
Permanently Disabled: 16,044
Hospitalized: 51,242
Anaphylaxis: 5,282
Bell's Palsy: 4,461
Miscarriages: 1,505
Heart attacks: 5,590
Severe allergy: 24,305
Shingles: 6,784

We are seeing and experiencing the rise of global tyranny, forced lockdowns, mask mandates, and the forcing the VAXX on people in violation of the Nuremberg Code on Medical Experimentation and Informed Consent.

We are seeing the rise at warp speeds of tyranny in Australia, where police are spraying pepper spray and rubber bullets into the crowd, in France where tens of thousands are protesting the draconian edicts being forced upon them, with forced VAXX, vaccine passports, lockdowns, and in Israel, where they have implemented the "Green Pass" Vaccine passport. Last weekend, thousands protested in Tel Aviv against this "Vaxx passport".

Forcing it here in the US through corporate employers requiring employees to take the VAXX, hospitals, schools and universities, Armed services, Federal and state govts requiring employees to take the VAXX.

All "choice" is being taken out of the equation. It is being mandated, coerced, forced upon you.

If you don't have the jab, you don't get to be seen by your cardiologist; a pregnant woman was turned away. If you don't have the jab, as a university student, you don't get to use the internet. If you don't have the jab, and you are in the Armed Services, you have to wear a red wrist band indicating that you are unvaccinated. Echoes of Nazi Germany, Jews had to wear a yellow star.

We are seeing the underbelly of the beast system rising up. Tyranny and total control.

Prayer Targets: Let's take time to pray into this:

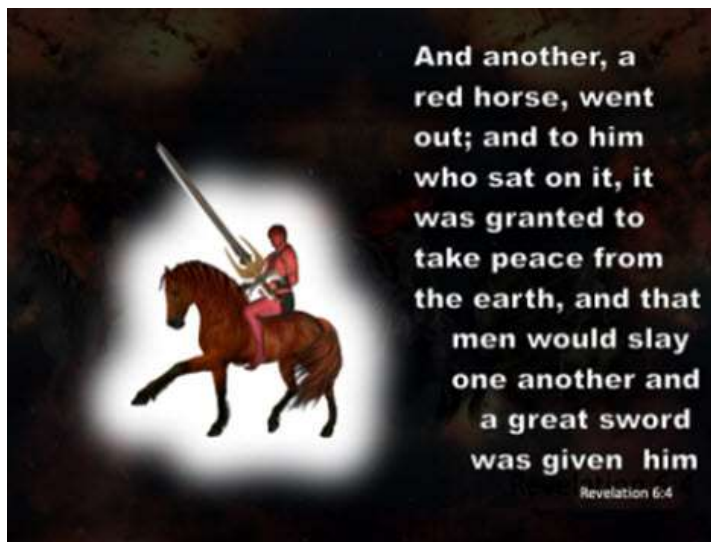

- *People would awaken to the dangers of the vaxx and choose not to take it**
- *people would peacefully push back at grass roots and local level against the tyranny being imposed**
- *Healing for those who have COVID, that they would recover. Healing for those who have taken the VAXX and suffered adverse reactions.**

Part 2: What comes next? Second Horse: War is on the horizon-Afghanistan and the China Connection

Let us turn our attention now to the second horseman. Soon it will be time for the fiery red horseman to ride... and he brings War!

And when he had opened the second seal, I heard the second beast say, Come and see.

And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword. Revelation 6: 3-4

What are the Signs, the Indicators that War is on the Horizon?

*Afghanistan overtaken by the Taliban

General Flynn Reveals why the Taliban are not Attacking the Chinese Embassy – Red Voice Media

Hard to conclude that Biden isn't compromised when there's so much that he's done that benefits China...

***"The principal winner in Afghanistan is not ISIS. It's not Al Qaeda. It's China. It's absolutely China. The Chinese have a wide-open door to strengthen and thicken what is called their belt road initiative. And anybody that wants to go dig into that go dig into it because the Chinese belt road initiative which has been going on for about five to 10 years. The Afghan gates, the doors just went wide open. And that's why the Taliban are not attacking the Chinese embassy. That's why the Chinese Embassy didn't shut down. That's why the Russian Embassy didn't shut down."* – General Michael Flynn**

The Belt & Road Initiative seeks to establish a trade route for them to Europe, Africa, etc. that can't be targeted by U.S. sanctions, giving China leverage over smaller, poorer countries as a form of economic imperialism that includes 71 countries as of now, using fear instead of friendship with these countries, entrapping them in debt. There is also worry that it will be used to transport soldiers along this route, as well as export Communism

The China Connection and the Rise of the End of Days Beast System:

Joel Richardson does an insightful teaching. In it, he states the idea that radical Islam (Taliban) has made a partnership with CCP, and that this new partnership could very well be the forces that will ultimately invade Israel, as foretold in Ezekiel 38/39: Watch the video teaching below:

RUSSIA, CHINA HOLD JOINT MILITARY EXERCISE FOR FIRST TIME: A PRECURSOR TO GOG-MAGOG WAR, SAYS RABBI

On Monday, China and Russia held joint military exercises and for the first time, they were hosted on Chinese soil. The five-day event will be held in the city of Qingtongxia, in China's northern Ningxia Hui Autonomous Region.

Following the development, the connection to the war of Gog and Magog is now being made by rabbis with one who interprets the prophet Ezekiel to foresee the War of Gog and Magog being launched by Russia.

The event clearly was intended to have political overtones as well as military utility as it began with a gesture of friendship as the Chinese People's Liberation Army Lieutenant General Liu Xiaowu, deputy commander of the Western Theater Command and commanding

officer of Chinese forces in the upcoming exercise, presenting a bouquet of flowers to members of the Russian military delegation. Though this was the first exercise held inside China, it was the fourth joint Sino-Russian military exercise, after the Vostok (East) 2018, Tsentr (Center) 2019, and Kavkaz (Caucasus) 2020 exercises, all of which were held inside Russia.

The exercise will continue until Friday. The drill is significant, establishing a joint command center and involving approximately 10,000 personnel utilizing different types of aircraft, weaponry, equipment, and vehicles from both countries.

Gantz: Iran is 10 Weeks from Breakout to a nuclear weapon – Jerusalem Post

Tehran will be able to break out to a nuclear weapon within 10 weeks, Defense Minister Benny Gantz told diplomats from UN Security Council member states on Wednesday as tensions ratcheted up between Iran and the international community over its maritime attacks.

"Iran has violated all of the guidelines set in the [JCPOA \[nuclear agreement\]](#) and is only around 10 weeks away from acquiring weapons-grade materials necessary for a nuclear weapon," Gantz warned.

"Therefore," he added, "it is time to act. The world must apply economic sanctions and take operative action against the Iran Revolutionary Guard Corps," which has targeted shipping vessels.

In recent weeks, top Israeli officials, including Prime Minister Naftali Bennett, Foreign Minister Yair Lapid and Gantz have expressed alarm to the US and others that Iran is taking advantage of a long pause in negotiations to return to the 2015 Joint Comprehensive Plan of Action to dramatically advance its nuclear program.

Amid Rising Tensions, Gantz Says Israel is Ready to Strike in Iran – Times of Israel

Defense Minister Benny Gantz on Thursday said the country is prepared to engage militarily directly with Iran, amid rising tensions in the region as Iran increases its nuclear capabilities and as hardliner Ebrahim Raisi is sworn into the presidency.

Asked in an interview with the Ynet news site whether Israel was ready to strike in Iran if need be, Gantz responded simply, "Yes."

Still, he added, Israel was focused on an effort to mobilize the international community to rein Tehran in, "because we can't tag Iran as solely an Israeli problem and absolve the rest of the world from this issue.

"The world needs to deal with Iran, the region needs to deal with Iran, and Israel also needs to do its part in this situation," he declared.

When asked if he was referring to the world also getting involved in military action against Iran, the defense minister answered in the affirmative.

Warning and an Urgent Call to the Wall for all Intercessors for Israel (issued from Stephen Spykerman)

This is a most urgent warning to all intercessors for Israel. We are in a life and death battle against the powers of evil. The nuclear strike on Tel Aviv will not only claim hundreds of thousands of lives, but it will also disable most of Israel's vital defense industries, which are located within the greater environs of the city. At the same time Israel will be hit by a coordinated barrage of missiles from Iran's terror-sponsored states, including Syria, Hamas in Gaza, and Hezbollah in Lebanon.

[A recent news article reports that the Hezbollah terror organization](#) has between 130-150 thousand rockets and missiles capable of hitting any point in Israel, at a rate of ten thousand launches a week.

These missile strikes will come in such great numbers, and with such rapidity that they will likely overwhelm Israel's anti-missile defenses.

The Israeli nuclear counterstrike will be aimed at Damascus. She will have no choice but to use her "Samson" option. [The Samson Option](#) is the name that military analysts have given to Israel's hypothetical deterrence strategy of massive retaliation with nuclear weapons as a "last resort" against nations whose military attacks threaten its existence.

In short, after Tel Aviv is "made into rubble" by Iran and her proxies, Israel will respond by nuking Damascus, thus fulfilling **Isaiah 17:1**

"The burden against Damascus." "Behold, Damascus will cease from being a city, and it will be a ruinous heap."

Behold, Damascus is taken away from being a city, and it shall be a ruinous heap. Isaiah 17:1

Prayer Targets: Let's Take Time to pray into this

***Pray that Naphtali Bennett and his cabinet would have good intel, be aware of the Iranian threat, and would take measures to prepare.**

***Pray into Ezekiel 33:6-7 ~ Abba, we pray for an overwhelming response to this urgent call for all of your intercessors to powerfully intercede on behalf of our Jewish brothers and sisters living in Israel.**

***While everyone's attention is focused on COVID, the rollout of vaccines, may the Israeli leadership not be distracted from perceiving and responding to the Iran threat (and their proxies, Hezbollah, Hamas).**
