

Pray for these "little lambs"

This news is from our good friends, Gene and Mary Lois Little in Jerusalem - please pray for these children and their miraculous escape - and for Israel's complete victory getting rid of Hamas and any other enemy connected with this vicious, inhumane demonic attack on the Jewish people:

"And the LORD spoke to Moses: "Go to Pharaoh (Hamas) and say to him, "Thus says the LORD: Let my people go, that they may serve Me. But if you refuse to let them go, behold, I will smite all your territory (Gaza)...." (Ex.8: 1-2, 20-21)

"Whosoever causes one of these little ones who believe in Me to sin, it would be better for him if a millstone was hung around his neck, and he were drowned in the depth of the sea" (Mt. 18:6, Lk.17:2)

Dear Friends of Israel:

This is day 5, of Israel's war with Hamas and even Hezbollah terrorists. The nation finds itself preparing to launch an all-out ground attack against the Gaza strip, with the IDF moving into

position. The past few days however have been a nightmare as the IDF first had to sweep and secure the roads and kibbutzim near the breached Gaza border of remaining Hamas terrorists. There were many fire-fights as groups of Hamas terrorists were uncovered and neutralized. The IDF also announced that they have captured over 100 of these jihadists. Hamas by its "invasion" perhaps won a "pyrrhic" victory, suffering irreplaceable casualties. The IDF found that some bodies of some 1500 dead jihadists were left behind. The cost in human lives lost to Israel has been staggering: 1200 Israeli citizens, including over 200 IDF soldiers, 2,600 Israelis injured, and some 120 Israeli men, women, foreign workers and children taken hostage.

And that's where my heart is tonight. There are dozens of small children taken hostage by these Islamists. I am tonight listing to some of their names and ages that you may pray for their safety and release. I am burdened by these little ones being taken away. Perhaps to Islam they are just booty taken in battle. Such children are in great danger of being used for sexual exploitation, pedophilia, rape and even slavery. If you would like to see their faces, go to: [#freeourkids_il](#) on Facebook and Telegram. Some may be orphans as their parents were murdered, their siblings slain and /or others have parents who were also taken hostage. This is not a complete list but pray, especially the two scriptures I have posted. Place this list where you can see it, either on your bathroom mirror, refrigerator, or prayer room. Pray for their immediate rescue.
